

Air Techniques, Inc. Announces Laura Walsh as New Marketing Manager

Date: 01/07/2010

MELVILLE, NY: Air Techniques, Inc., a leading dental equipment manufacturer, announces Laura Walsh as their NEW Marketing Manager. Laura comes to Air Techniques with over 2 decades of marketing experience and is considered a specialist in mobile, online and print marketing communications.

Laura has held previous positions as Director of Marketing at The Garden City Group, Inc. and Marketing Manager for Henry Schein's Dental Equipment Division, where she launched Henry Schein's annual equipment catalog and quarterly SideKick Magazine. Laura displays her passion for marketing in and out of the office as a member of the American Marketing Association, the Long Island Advertising Club and the Long Island Center for Business and Professional Women.

Riad Abuelafiya, Air Techniques' Vice President of Sales and Marketing states:

"Laura is a respected and talented professional who brings a unique set of skills and experience to the Air Techniques team. We look forward to working with Laura and would like to wish her a warm welcome."

Laura's strong background in marketing will be a great asset to Air Techniques as the company continues to grow. Air Techniques, Inc. has been a manufacturer of dental, medical, veterinary, industrial and security equipment for nearly 50 years.
